It was an overcast morning that gave way to some rising temperatures as the Pinkerton Freshman Boys Lacrosse team looked to continue their winning ways as they traveled to Bedford High School to take on a formidable Bulldog squad. The temperature was not the only thing rising as the Astros came out hot firing off 3 quick first quarter goals. Pinkerton's defense and goaltending held firm and had a shutout rolling until about the 40 second mark remaining in the 2nd quarter leading by a score of 5-1 at the break. In the second half some lingering woes of the first half carried over and the only thing rising were the penalty minutes as the young Astro squad got away from their team identity resulting in 9 separate penalties and nearly 7 min of penalty time throughout the game. Despite the mental mistakes, the Astros man-down unit held firm, as did Cody Dumont, the PA goalie who recorded 11 saves from the 18+ shots faced on the day. Pinkerton would go on to win the contest by a final score of 7-2 to remain unbeaten on the season. The Astros had contributions from all their Attackmen who accounted for all 7 goals on the day. Jeffrey Gormandy (2G,2A), Collin Fortini (2G), Jesse Sag (2G), and Keegan Blake (1G) all got in on the action. Midfielders Phoenix Bealieu and Alex Hobley also had an assist each

helping motor the high octane Astro Machine right out of the gate. The Freshman Boys Lacrosse team is back in action for the final time this season on Thursday afternoon at 5:00 (5/26) at Memorial Field as they take on a talented Exeter Blue Hawk team and look to cap off their undefeated campaign. This will be a rematch from earlier this season and should be a great final challenge to round out the Astros season. Team Record 7-0.
