Greetings Class of 2024!

Let us be among the first to officially welcome you to Pinkerton Academy. We are your class advisors, Mr. Torro, and Mr. Plante, and we will be with you for the next four years! We can’t wait to meet you in person and officially welcome you to the Academy. Mr. Torro is an upperclassmen math teacher, and Mr. Plante is an upperclassmen science teacher. Both of us have lots of experience taking part in running events at Pinkerton and Mr. Plante is a past class advisor for the class of 2017.

We have lots of fun events in store for you in the coming years, but we can’t pull them off without your help! Do you want a say in what we get accomplished as a class? Then consider running for Class Office! Class Office decides what we do as a class. They are responsible for coordinating all of our class events such as the community service projects, fundraisers, your Sophomore Semi and your Junior Prom! If you are looking for a chance to be a leader, have school spirit, and want to make a difference in your high school experience... class office is for you! We will be sending out more information as soon as school starts and at Freshman Field Day. We have lots of other positions besides president and vice president, so please consider running for one of them.

Class dues are payments to the class that each student at Pinkerton Academy is required to pay. This money goes towards funding class events and eventually pays for things such as graduation and reduces the cost of events like prom. Dues also help the class perform community service and host initiatives throughout the years.

Class dues for Freshman during the 2020-2021 school year are:

$64.00

This fee includes your yearbook for this school year. Yearbooks are not sold during the school year, but are bought through paying your class dues. The only way to get your yearbook is to pay your class dues IN FULL by December 1st. In order to attend class events later on, such as Sophomore Semi-Formal, Junior Prom, Senior Banquet, and Graduation, ALL dues must be paid.

Dues must be paid in person to an advisor, or paid online with a credit/debit card. No mail in dues will be accepted. Please make sure that if you are paying dues in person you come BEFORE OR AFTER SCHOOL not during the
day as we will turn you away. If you are concerned about dues payment, but still want your student to meet financial obligations to the class, please contact an advisor to discuss payment options. Our goal is to help our students have a wonderful time at Pinkerton! Please do not hesitate to reach out to us!

We hope you will take this opportunity to not only think about what Pinkerton can do for you but what you can do for Pinkerton. Our motto is courtesy, respect, and responsibility. Whether in the classroom, on the field, on the stage, or just around campus at events, be there, be present, and bring your best self! We don’t know what this next school year will bring, but we know that you will meet the challenges that the 2020-2021 school year will bring head-on. We are excited to meet you in August and can’t wait for you to experience all the pride, tradition, and experiences Pinkerton Academy has to offer! We hope that over these next four years you not only enjoy your time here, but make lasting memories.

Enjoy your summer, and we can’t wait to meet you in the fall!

Sincerely,

Kyle Plante and Dominick Torro
