Summer 2020

Dear Class of 2024 Pinkerton Families,

Welcome to Pinkerton Academy! This year marks an exciting new chapter in the story of your life as you start your high school career. As we embark on this journey together there are so many new and exciting opportunities for you: new experiences, classes, clubs, activities, sports, and lessons. I urge you to take advantage of everything that is made available to you during your time at Pinkerton. Four years from now, you will look back and see how much you learned and grew during your time here.

The past several months have been different and difficult for all of us. With input and feedback from several community stakeholders, this summer, groups made up of people from across our community continued to work on three different reopening plans for the Academy which include in-person, hybrid, and remote instruction. We have looked at all aspects from governance to wellness, instruction, technology, school operations, and facilities. No matter which plan is chosen, our goal has always been to educate our students in an environment that is safe for all. We hope to announce our final decision in early August. The start of this school year will be different from the start of previous ones, but I know that we will work together, as we always have, to do what’s best for our students.

Speaking of the start of the year, we have redesigned our annual Freshman Field Day scheduled for Tuesday, August 11 and are confident we can safely move forward with hosting this exciting event. Please take the time to read the attached flyer for important information. All other start of year documents can be found under Freshman Info from the Students menu on the bar at the top of the homepage: pinkertonacademy.org. These documents will also be emailed to any address we have on file.

In a few short weeks, you will enter Pinkerton Academy as strangers, uncertain of what lies ahead of you, and in four years you will graduate as friends, ready for the next chapter of your life.

On behalf of our entire community, I look forward to welcoming you all to Pinkerton Academy. Enjoy the rest of your summer!

All my best,

Timothy J. Powers
Headmaster
